MEMORANDUM

SUBJECT: Protection of Human Subjects Certification

FROM: Peter W. Preuss, Ph.D. *PW Preuss*
Director
National Center for Environmental Assessment (8601D)
EPA Human Subjects Research Review Official [HSRRO]

TO: Rebecca Clark, M.P.H.
Director ESRD/NCER (8723F)

I have reviewed this proposal and am satisfied that it complies with EPA Regulation 40 CFR 26 **PROTECTION OF HUMAN SUBJECTS**, and with EPA Order 1000.17, Change A1, **Policy and Procedures on Protection of Human Subjects**. However, as per 40 CFR 26.118, no human subjects may be involved, including recruitment, in this project until it has been reviewed and approved by the HSRRO. For such approval the project officer must get (i) proof of IRB approval, (ii) a copy of everything sent to the IRB for its approval, and then send them to the HSRRO for his review and approval.
